

Campbell High School

An ACT Government School
Principal: Kerrie Heath

BYOD purchasing guide for Campbell High School.

The recommended BYOD device for Campbell High is a Chromebook. This is because there is guaranteed compatibility with the ACT government school wifi network and full compatibility with the Google Apps for Education (GAFE) learning management system.

Chromebooks can be easily purchased online from a number of Australian vendors. If you need help to find a Chromebook do a Google search using the following search term:

AU: Chromebook

You should be able to find a number of Chromebooks at suitable prices. The expected price range for new school appropriate Chromebooks are between \$250-\$350. If you prefer to purchase a Chromebook or BYOD device at a store; the following specifications are considered the minimum requirement to be used at Campbell High School:

- CPU: Rockchip 1.8GHz Quad-core CPU
- Graphics: Intel HD Graphics 400
- Wi-Fi: Dual Band 802.11ac
- USB port: 1x USB 2.0 Ports
- Secondary Memory: 16GB eMMC Flash Memory
- RAM: 2GB DDR RAM
- Screen size: Minimum 10 inch screen
- Keyboard
- 10 hours battery life minimum

If you wish to purchase a second hand Chromebook you will need to do a powerwash before first use. The instructions for this can be found at this link: <https://goo.gl/HQgZiY>
