

CANDIDATE FOR THE P&C MEMBER POSITION ON THE CAMPBELL HIGH SCHOOL BOARD

TONI HASSAN

I am the mother of a year 8 student at Campbell High. My husband and I also have a daughter at Lyneham High and a seven year old at Majura Primary. At Majura I have served on the school board and as an evaluator of that school's kitchen garden program. Outside of school, I have served as a director of the not-for-profit organisation, Indigenous Reading Project.

I have nominated for the CHS school board because I want to contribute to the strategic direction of the school and strengthen its well-deserved reputation for community engagement and inclusive culture. I am a passionate public school advocate, wanting to learn from others to grow CHS's partnerships and address areas of need. I also have a particular interest in mental health and supporting students, teachers and families in the ubiquitous digital environment we find ourselves in. I would seek to serve the school community, representing parents and carers by being open to hearing all perspectives and gathering evidence and wisdom to make decisions that improve and inspire both process and outcomes.

I have worked in journalism, policy and politics, community development and the charities sector. My suite of skills include facilitation, research, communication and project management. I am also attached to Charles Sturt University and the Australian National University as a researcher, writer and mature-age student in the visual arts.
