Year 9 & 10 Cross Country Sign Up

All year 9 and 10 students who would like to compete at our school cross country carnival this year, please register your name on the noticeboard outside P.E. Any questions, see Mr Gray. If you don't sign up, you will be expected to attend your F and E line classes. Thanks.

Priscilla participants

If you are planning to board the train from Bungendore please come to the Arts Department and speak to Ms Brown or Ms Morison. Otherwise everyone will need to be boarding from Kingston train station. there are still 5 tickets available for the trip.

Boys volleyball training

There is a boys volleyball training in the gym today at morning break

ICAS Writing and English Competitions

The 2018 ICAS Writing and English Competitions are on again! Ask your English teacher or visit the English staffroom for information and a payment note.

All English students are encouraged to enter (extension English students are expected to!) and both competitions count towards the English Challenge.

PLUS+ Meeting Morning Break Wednesday

Campbell High's LGBTQI+ and allies group, PLUS+, will be meeting in F28 during morning break on Wednesday 11th April. See you there!

ATTN: ANZAC Day volunteer students

Cadets need to make sure they bring their uniform ready to parade at the Assembly on Tuesday, first week back from the holidays. Speech writers need to share their Google Doc with me so I can see progress as soon as possible. We will have a quick meeting on Thursday second break for all students participating..

Library closed Wednesday after school this week

Due to commitments at Dickson College, staff will not be able to open the library Wednesday afternoon; apologies for the inconvenience.

Holiday Reading

Remember that you can borrow extra books for the holidays from the library, plus you can always borrow E-books online through Oliver if it's a rainy day on the coast. Come ask a librarian if you would like to know more!

Chromebook Charging

Chromebook Charging - a number of students have mentioned that they are having issues charging their Chromebooks. If you are having this issue it is likely that this is because you are plugging the charger into the wrong side of the Chromebook. You must plug the charger into the port on the left side of the device (next to the power button) - see the attached picture.

Your Chromebook will NOT charge if you plug it into the right side port.

Years 7 & 8 Rugby Union Training

Training for the year 7's & 8's will begin this Thursday March 29th. Training will be held on the oval and during 1st break every Tuesday and Thursday until the end of the term.

See Riley and Brandon for more details.
