Dear Parents and Guardians,

Your child has the chance to participate in this year's Assessment of Language Competence (**ALC**) certificate program. This language certificate program is organised by the Australian Council of Educational Research (**ACER**) in a number of languages, and is offered to students from public and private schools around Australia.

All participants will sit for a listening and written exam set by ACER under the supervision of a Language teacher. In the examinations, the students are asked to respond to realistic texts and situations in a multiple-choice format.

Tests will be conducted in August and certificates of achievement will be awarded later in the year.

**A cost of \$13 for Primary Certificate, Certificate 1, Certificate 2 and 3**, is to be paid by each participant entering the competition. **All payments need to be made to the Finance Office by Tuesday, 31<sup>st</sup> July 2018.** Unfortunately, late entries cannot be accepted due to the closure of online registrations.

We would like to encourage as many students as possible to participate in this event. Students who are enrolled in the Campbell High School Challenge Program must participate. These competitions are valuable learning experiences and good preparation for further education.

If you require any more information, please contact Yolanda Hallam-Walsh at [yolanda.hallam-walsh@ed.act.edu.au](mailto:yolanda.hallam-walsh@ed.act.edu.au).
