

Campbell High School

*An ACT Government School
Acting Principal: Steve Collins
"Aspire Achieve Connect Respect"*

Dear Parents and Carers

We have had a busy start to the academic program this term. As Steve Collins mentioned last week, it is a perfect time for students to reflect on last semester's achievements and to put in place strategies to improve learning outcomes. Effective relationships between students, families and the school are central to social, emotional and academic growth. We encourage parents to address any questions directly to the relevant staff to allow for the opportunity to work together in the best interests of each student.

We have been lucky to have several new members of staff join Campbell High School. In the front office we welcome Chelsea Williamson and Saima Noor. We also welcome Lee McMullan who joins our student support team as a chaplain.

This week we have had a number of students participate in ICAS (English competition), the Australian National Chemistry quiz as well as PISA testing. PISA testing plays an important part in collecting student performance data, to provide a point of comparison internationally.

A reminder for Year 10 students to check the notices outside of Student Services to enrol in Careers Counselling meetings being offered by staff from Dickson College for prospective 2019 students.

Thank you to students who participated in the Bake for Babies fundraiser which raised \$538 for Newborn Intensive Care Foundation in the ACT.

It is wonderful to see students contributing meaningfully to our community and we are grateful to parents for their support.

Katherine Stretton

Deputy Principal
