

## The Weekly Wrap Up T3 Wk 4 17-8-18

As another week has flown by, we have seen our students engage in a broad range of excursions and activities. These have included:

- Ski Trip
- Writers Camp.
- Menslink Presentation
- ADF Drone Display
- Warrambul students visit to Canberra Raiders training facilities
- Netball Competition

### **School Satisfaction Survey.**

You may have also received emails regarding our School Satisfaction Survey. The Survey is completed by all School communities in the ACT Education Directorate, and the results form an important role in helping us shape future goals and contribute to our strategic plan for next year and beyond. We are very grateful to the many parents that have already completed the survey. It will remain open until September 3.

### **P&C**

The teachers of Campbell High School would also like to express great thanks to Diana Kerr, for years of dedicated service to our P and C. Dianna has continued in the role of President, despite her children graduating from Campbell High School, but has recently handed over the reins to Sarah Avakian as acting President. The P and C are an important and valued part of our school, please consider becoming involved.

### **Enrichment**

Students are continuing to impress with their display of skills during the wide variety of Enrichment courses. Of particular note this week, is the blanket produced in the Crochet group with Ms Castle. The students have worked together to create this piece and will be looking to give it to a worthy charity.

## **Strategic Plan**

The ACT Education Directorate recently launched the 2018-2021 Strategic Plan. This Plan outlined the goals of our organisation in ensuring we provide world class and innovative teaching and learning for our students. These goals will form the basis of the strategic vision of Campbell High School in the coming years. Please see [Strategic Plan 2018-2021](#)

We are also very pleased to report that the School Library is again open for student access before school. Due to some staff changes, the library was closed of a morning for a short time, however a group of teachers have kindly volunteered their time to ensure students have the ability to utilise the library's resources, including accessing the new Chromebook docking stations, which were officially opened this week.

## **Reminders**

### **Gifted and Talented Information Session**

On Wednesday 22nd August our Enlighten teachers will be hosting an information session in the school library from 4-5pm. This is for parents of students who are part of the Enlighten program. The teachers will give a presentation and program overview and then there will time for questions. We hope to see you there.

### **Uniform Free Day – Tuesday week 5**

Tuesday week 5 we are having a uniform free day to raise money for the drought affected farmers. Please bring a gold coin donation and wear your house colours.

### **Stranger Safety**

Today we have been notified of incidents involving strangers approaching students in the vicinity of ACT schools.

These unfortunate incidents are a good reminder to us all to help our children understand the importance of stranger safety and the need to report any unusual incidents or approaches to staff immediately. ACT Policing urging anyone who may have witnessed any incidents or have any information that could assist Police to contact Crime Stoppers on 1800 333 000, or via [www.act.crimestoppers.com.au](http://www.act.crimestoppers.com.au).

Please support us to keep our children safe by having conversations about moving safely around the community and what to do if they ever feel unsafe. You may wish to visit the ParentLink website [ParentLink website](#). Our teachers will also continue to discuss protective behaviours next week.

The School and the Education Support Office will continue to work with ACT Policing on this issue. Please do not hesitate to contact me should you have any questions.

*Have a great weekend!*

Steve Collins
