DTM News

On behalf of then *Defence Transition Mentor (DTM) Karyn Heitmann*, and Campbell Staff and students, we would like to wish our Australian Defence Force families leaving Canberra on postings and new adventures both a safe and happy holiday, and a smooth and successful transition. As is tradition amongst defence circles we do not say "goodbye", preferring instead to say "see you later" as this journey we take often brings us back together. We hope that your time at Campbell High has provided you with a wonderful foundation in learning, and lots of great memories to take with you. We know that you leave great friends behind and hope that you will keep in touch.

We look forward to seeing our new [Year 7 students on Monday 4 February](#), and all other students on [Tuesday 5 February](#). Student timetables will be distributed on these days.
