## The Weekly Wrap Up T4 Wk 6 23-11-18

As we look forward to Week 7 parents and students are reminded that these weeks are designated 'excursion free' and are generally periods of time where in-class assessments may take place.

### Year 10 Coordinator information

Graduation and Formal are being held on December 5, with arrivals from 4 pm.

- Notes went home earlier in the term, and students can collect a spare note from Ms Mayne
- Notes are to be returned with payments to the Front Office, signed by parents.
- Graduation rehearsal will be held in the hall for students Monday December 3<sup>rd</sup>, Period 1. This is important for students to attend as they need to know what expectations will be on the night.
- If parents wish for students to be away from school at any point in Week 8, they must follow the absence process as normal.
- Farewell Assembly will be held on Friday 7<sup>th</sup> December – from 10 am. This event is a celebration for students and staff. If parents wish to allow students to leave after the assembly, written permission will be required.
- Normal absence processes apply and students are not be permitted to leave the grounds without permission from their parents (or unless they are being signed out by parents).

Please contact Ms Mayne if you have any concerns.

### Year 8 Coordinator

Thanks to Mr Mongan who will taking on the role of Year 8 Coordinator for the last few weeks of the term as Ms Barrett has stepped into another role. Please feel free to contact Mr Mongan for any concerns regarding Year 8 students.

### Warrambul Indigenous Leaders

Following a voting process and the presentation of student speeches, we are pleased to announce Robbie-Jo Robinson and Ruby Riley-Brown as our inaugural Indigenous Student Leaders. They have pledged to lead the students in promoting Indigenous Culture, and representing the student community. We would also like to thank Mr Mackenzie for his work in mentoring these emerging leaders.

## **STEM News**

Student Notices in the canteen: a TV has been placed up in the canteen that will display the daily notices as well as specials from the canteen. This will also help promote better lines of real time communication around the school.

## **Second Hand Uniform Stall**

Second hand uniform items will be on sale on Monday and Wednesday of week 10 in the school hall. We would very much appreciate any items that are no longer required to be donated to this second hand pool. A clothing basket is in the front office where donated items can be left.

All uniform items are very welcome and there is particular demand for skirts and trackpants

## **White Card and Asbestos Training Reminder**

Our Careers Adviser, Marg Cummins is attempting to offer a White Card and Asbestos Course in the final week of term. This training is mandatory for any person that wishes to undertake any work (including work experience) in the building and construction industry. Please speak with your children about this opportunity and encourage them to speak with Marg to express their interest.

## **Giving Tree**

Our Library Support Officer, Robynn, has again set up our Giving Christmas Tree in the front office. Please consider donating (unwrapped) gifts for charity by placing items under the tree. Thanks for your support – please note, gifts of alcohol and cash are not able to be accepted.

## **Staff vs Students Basketball Game**

Thanks to the staff and students that today competed in the hotly contested Staff vs Student Basketball game. The score line finished in favour of the students, which perhaps suggests some of our PE teachers need to start looking for a new job.....
