

Campbell High School

An ACT Government School

Principal: Steve Collins

Dear parents/Carer,

This is to inform you that your child has chosen to do Henna tattoos during activities week.

This involves cost of \$2 for per session. Henna is a plant extract which releases orange/brown colour and provides a temporary tattoo to skin which can last for 3-5 days. The paste is made using eucalyptus oil, olive oil, lavender oil and other natural ingredients. It is generally safe and high-quality products are being used. However, allergies in rare occasions are not ruled out. School will not be responsible for any claims regarding this.

I give permission for _____ of contact group _____

to participate in the Henna Tattoo activity during activities week.
