

Campbell High School

An ACT Government School

Principal: Kerrie Heath

Enrolling at Campbell High School for 2018

Dear Parents and Carers,

Campbell High's Open Night is scheduled for Tuesday, 16th May 2017, at 6pm. This is always a fantastic evening and we invite anyone who may be considering applying for enrolment at our school to attend.

I am writing to you now because I do understand that families can feel anxious about the transition to high school particularly during the enrolment process. Some families who reside in NSW have already contacted me about enrolment for next year so I wanted to communicate with you now so you have time to consider schooling options for your child for 2018.

Campbell High welcomes enrolment applications from schools within our region and we value the contributions of our many, wonderful students who reside in NSW. However, Directorate policy clearly states that priority will be given to ACT residents and this has meant that, in recent years, some applications from NSW residents have not been successful.

The enrolment intake process has been amended from previous years, such that applications from NSW residents (including siblings of current students) will not be finalised until the commencement of Term 4, 2017. This means, subject to the school's operational capabilities, offers of placement for NSW residents will be forwarded in Term 4.

Each application will be considered on a case by case basis. You are encouraged to complete the section regarding why you wish your child to attend Campbell High and what your child brings to our vibrant school community. Areas to consider may include: academic and extra-curricular interests, sporting achievements, siblings already at the school, late defence posting, distance to nearest high school, primary school cohort and specialist program considerations. The school will make a decision on an enrolment offer based upon the information contained in the application and any other relevant material provided to support the application.

Families wishing to be considered are encouraged to include a second and third preference for alternate ACT public schools. As enrolment placements within the ACT cannot be guaranteed, NSW residents should also apply for local state high schools during the NSW enrolment process.

More information can be found on the [Education and Training Directorate's](#) webpage, in the [Education Participation \(Enrolment and Attendance\) Policy](#) and in Campbell High's [2017 School Enrolment Management Plan](#).

Warmest Regards,

Kerrie Heath
