

Campbell High School

An ACT Government School
Principal: Kerrie Heath
"Aspire Achieve Connect Respect"

Dear Parents and Guardians,

This weekly wrap is coming to you at the end of an extremely busy week. This week we have had 3 days of NAPLAN testing, open night, the National Eisteddfod and our school athletics carnival.

This week year 7 and 9 students undertook NAPLAN testing. This is the first year NAPLAN has been administered online. Our students did an excellent job coming to school prepared with their Chromebooks, remaining calm and trying their best. So far students have sat the reading, language conventions and writing tests. NAPLAN testing will continue next week with the numeracy test and catch up sessions.

On Tuesday night we held our annual open night. It was lovely to meet our incoming year 7 cohort. They were nervous but so excited by the time they were finished touring the school and meeting the teachers. Several of our current students delivered wonderful speeches along with Ms Heath, and Mr Carter and Ms Benassi as the 2019 year 7 coordinators. The band played and the subject areas put on fantastic displays. As normal, the climbing wall was the highlight for many. I had overwhelming feedback from parents of just how warm and welcoming the vibe was and how happy they are to be joining our community.

On Thursday we headed out to the AIS for our athletics carnival. There was a great atmosphere on a beautiful sunny day. Student participation was high and the house pride was strong. Several school records were broken and many students are now turning their sights to the North side Carnival.

Also on Thursday our Year 7, year 8 and Senior bands attended the National Eisteddfod. Our bands put on amazing performances and each of the bands were awarded Bronze in their categories. Well done to all our band students and our amazing band teachers!

This week we sent out the family transaction statements. Thank you to all the families that made such prompt payments

Now that the warm weather has moved on and we are well on our way into winter we have seen non-uniform jumpers and jackets creeping into school. Please ensure your student is wearing an appropriate school top. The front office have plenty of stock of our Campbell High hoody (\$30) and the light weight jacket (\$35).

Next week we look forward to it being slightly quieter. Along with further NAPLAN testing we have the first outdoor ed. camp heading out for this term as well as a School Board meeting and P&C meeting on Monday night. The P&C would like to encourage anyone interested to come along to the meeting that starts at 7pm.

Have a great weekend.
