Acting Principal's Report

- Naplan tests were successfully completed on line, with three out of the four tests performed using chrome books. Positive feedback from Education Directorate on the way CHS had approached and managed the on-line Naplan tests. There was also positive feedback from students.
- Open Night was successful and a manageable number of enrolments were being received. There was discussion around the NSW cohort, potentially some NSW defence families may be able to attend CHS. The result will probably be a smaller cohort for year seven in 2019.
- Other activities around the school included the athletics carnival, bands at Eisteddfod and Outdoor Ed camp.

Follow up on P&C positions

- Rachel Tasker has nominated and been voted in as Secretary.

Treasurers Report: bank balance $10,132.57. Bank interest of 9 cents received. The Committee discussed changing the Main P&C account from St George to Commonwealth. Decision agreed in principle. Expenses of $339.49 for Open Night are to be reimbursed to Diana Kerr.

Canteen Report: Hazel, the canteen manager has returned to work after her broken arm.

Other Business:

- Communication with parents was discussed. Positive feedback on the weekly wrap but there seems to be a lack of information on what is coming up in the near future (eg charity days).
- Google classroom is informative but could be more useful if the weekly summary was more forward looking.
- Some students may require assistance when staring year 7 in the use of Chromebooks at start of 2019 school year.
- The plan and venue for the year 10 formal was widely discussed with varying views and opinions out forward.
