The Weekly Wrap Up

Term 1 - Week 6 (15th March 2019)

Hope Day

For a short week, week 6 has really packed a punch. Today was Hope Day at Campbell High. Hope Day is a fundraising event put on by the SRC, CLASSIC and CLLASS and raises money for the Leukaemia Foundation and The Cancer Council. There was a BBQ, bake sale, face painting, hair colouring and fundraising games. Students had the opportunity to throw a wet sponge at their favourite teacher!

Well done to all the students who shaved their heads for the World's Greatest Shave. You all look fantastic!

The total raised today was **\$2230!!!!**

Buroinjin

On Wednesday Campbell High competed in the Buroinjin Carnival. Taking out 2nd place overall. The team spirit was outstanding and the sportsmanship the team displayed was a credit to them.

North Ainslie Swimming Carnival

On Tuesday our CLASS girls were at it again. They attended the North Ainslie Primary School Swimming Carnival and Water Fun Day at Dickson Pool. The girls ran activities, marshalled races and got to know the primary school students.

Indigenous Dance Excursion

On Thursday the Warrumbul team headed down to Ainslie primary school to start our first of four dance workshops with Ausdance. It was amazing. The chance to learn about culture and the opportunity to mentor younger indigenous kids was really special. In our first session we learned about the dance rhythm based on the male heartbeat and then the female heartbeat. We practiced the Emu, the Kangaroo, The Eagle and the spirit dances. We also got the opportunity to show dance and had a welcoming eucalypt leaf circle dance. We can't wait to do the next session and working with the young kids was really rewarding.

Bunnings

Two of our students, Oscar and Django have been undertaking work experience at Bunnings every Friday. This week we received an email commending the boys for their hard work and for displaying the Campbell High values. Well done boys!

Google Workshop for Parents – 7.30pm Monday 25th March

After the next P&C meeting on the 25th of March, Jess, our IT officer will be doing a presentation and demonstration about Google Suite for Education and Chromebooks. She will also be discussing the use of these tools here at Campbell High and will answer questions that you may have about this resource.

Enrichment - Year 7-10 students from Campbell HS working with Kindergarten students at Ainslie PS.

During enrichment on a Friday, a group of students from years 7-10 walk down to Ainslie primary school. During this time, each student from Campbell works with a small group of 4-5 kindergarten students.

We began the semester talking about leadership, working with younger students and selected books to begin our reading program. We recently had our first visit and the groups sat together outside and read a story. In weeks to come we will continue to read together and facilitate some outside games.

This program offers benefits to all involved. Our high school students develop leadership and mentoring skills and have expressed a sense of satisfaction knowing that they are giving something back to their community. Our primary school students are forming relationships with older students and engaging in reading and discussion with their peers.

Campbell High at the 2019 Equestrian NSW Interschools Championships

Audrey Brooke represented Campbell High at the 2019 Equestrian NSW Interschools Championships on the weekend (10-11 March). Audrey rode in the Dressage Secondary Intermediate Preliminary 1B and 1C tests, competing against riders from around NSW in years 7 to 9. Entry into the competition was limited and highly competitive, with selection being made on previous results. Audrey and her pony, Candy, rode two solid tests, competing against a field dominated by larger horses. Well done Audrey!

If you are interested in joining the Campbell High Equestrian team (dressage, eventing, jumping and show), please contact Kate (kjharle@gmail.com) who has volunteered to coordinate the team. The opening/closing date is 25 March for the Snowy Mountains Interschools Equestrian Competition (held 27-30 April).

Harmony Day

Next Thursday, 21st March is Harmony Day and Campbell High will be celebrating all week! Our aspiring student cooks will be taking part in the "My Kulture Rules" comp on Wednesday, submitting their fusion recipes for judgment. There will be the all new northern-southern hemisphere fusion sport of "Summer curling" in the oval on Tuesday and Thursday or student's can try out for a Harmony Day scavenger hunt starting Tuesday for a canteen voucher. Please remind your child to wear orange next Thursday for March 21st.

Enlighten

Students in the STEM Video Game makers competitions have had their first foray into coding, using the GODOT programming system made by the MIT. They have modified classic games code such as Mario Brothers and Pong in preparation for their own creation, teaching kids about the scientific logistics of inter-planetary travel.

Coming up:

Week 7

Wednesday – Friday: Outdoor Education Surf Camp

Week 8

Monday – Wednesday: Year 7 Camp

Monday (25th March) – P+C AGM 6.30pm and Google Workshop for Parents 7.30pm

Term 2

May 14th - Open Night

Have a nice weekend!
