Dear parents of year 7 and year 9 students,

NAPLAN for students in year 7 and 9 will be on May 20 and May 21.

NAPLAN catch up tests will be on May 22, May 23 and May 24.

Please find attached information regarding NAPLAN 2019 that was sent out to all parents in the Campbell High weekly wrap last term.

If you have any questions please do not hesitate to contact Ash Carter by email on Ashley.Carter@ed.act.edu.au or [Jessica Eustace on cblh.it@ed.act.edu.au](mailto:Jessica.Eustace@cblh.it@ed.act.edu.au)

School Social

School social will be on Wednesday 22nd May.

Outdoor Education Camp

Outdoor Education Camp will be on Thursday 23rd May and Friday 24th May.

Invitation to the P & C Meeting on Wednesday 22 May at 7:00pm

The Campbell High School P & C is a friendly and fun group of parents and carers who meet to discuss the significant events taking place in the school and to find ways of supporting the school community. Meetings include a report from the school principal and conversations about Campbell High School events and issues. The next P & C meeting coincides with the school social on Wednesday 22 May at 7:00pm. Join us in the conference room (enter through the front office) for some tea and cake and to find out what is going on in your school community.

Student Wellbeing Presentation

During the P&C Meeting, there will be a presentation from Menslink ACT and The School Youth Health Nurse Program and Campbell High School support staff. This will be a great opportunity to discuss some of the issues effecting the health of young people and various supports available and learn more about wellbeing practices within the school.

IDAHOBIT Day 2019

May 17th is IDAHOBIT Day, the international day against homophobia, biphobia and transphobia. Today people all over Australia stand against discrimination in support of lesbian, gay, bisexual, transgender, intersex, and queer friends, colleagues and families.

Every year at Campbell High School we mark the day by putting up posters around the school that promote diversity, inclusivity and support for all members of our community. Many student volunteers helped support this activity, including members of the PLUS+ team. Thank you!

Students also collaborated and contributed to an art project that we will share photos of next week.

General announcements

World Challenge

Adventure AWAITS

Hi Students and Guardians,

After our recent successful trip to Borneo last year we are delighted to announce we are partnering with World Challenge again to launch our next trip to **Vietnam & Cambodia** in **September 2020**.

We share a belief that by empowering the students to lead their own expedition, they will go on to live a life of courage, kindness and adventure. From tough treks to new cultures, the day-to-day challenges of expedition life encourages students to develop life skills and build deeper confidence, resilience and empathy. We invite you to join us on an incredible 3-week adventure to Vietnam & Cambodia to explore new cultures, meet new communities and step outside your comfort zone. An adventure that will take us out of the bubbles we live in and inspire and energise us to be brave and think bigger. Adventures that, ultimately, spark learning, growth and greater possibility in us and the world.

We are hosting an information evening on **Tuesday 21st May** at **6pm** in the Library. Please join us to find out more - **RSVP** now – [CLICK HERE](#).

More information is available here: <https://weareworldchallenge.com/australasia/campbellvietnamcambodia/>

Hope to see you in Vietnam & Cambodia next year and feel free to contact World Challenge on **1300 728 568** if you require more assistance.

Wellbeing tips

Coffee or Tea

The following metaphor can help us reflect on what we wish to 'spill out' of ourselves in turbulent times. Please read and ponder.

You are holding a cup of coffee when someone comes along and bumps into you, making you spill your coffee everywhere. Why did you spill the coffee? You spilled the coffee because there was coffee in your cup. Had there been tea in the cup, you would have spilled tea. The point is whatever is inside the cup, is what will spill out. Therefore, when life comes along and shakes you (which will happen), whatever is inside you will come out. It's easy to fake it, until you get rattled. So, we have to ask ourselves, "What's in my cup?" When life gets tough, what spills out? Joy, gratefulness, peace and humility? Or does anger, bitterness, harsh words and reactions come out? You choose! Today let's work towards filling our cups with gratitude, forgiveness, joy, words of affirmation, kindness, gentleness and love for others.

Student Safety

We would like to remind all students of the need to be mindful of the potential dangers of the busy roads surrounding our school. There have been some near misses of late and it is essential that students use the pedestrian crossings where provided.

School Morning Supervision

We would like to remind our families that official supervision of the school grounds begins at 8.30am each day, and students cannot be guaranteed access to the school before this time.
