

Campbell High School

*An ACT Government School
Acting Principal: Steve Collins
"Aspire Achieve Connect Respect"*

Today's Weekly Wrap Up comes from the desk of our new Acting Principal, Steve Collins.

Dear Families

It is an absolute pleasure to return to Campbell High School. As a member of staff here up until 2010, I regretfully may have taken for granted, just how wonderful a school this is. I am certainly not taking anything for granted on my return, and am relishing the opportunity to be in the acting Principal role for the term.

In my short time here, it is clearly evident that the School still possesses a strong community culture and is a safe and welcoming place where a focus on wellbeing allows students to confidently engage in learning. I have been regularly impressed by the polite and mature interactions of students, and the obvious strong positive relationships that have been developed with teachers.

This week at assembly, students have been encouraged to revisit their Semester One reports and reflect on some of the feedback and suggested strategies for improvement. Teachers are always keen to assist students to work on areas of challenge, and students should speak directly to their class teachers for more detailed feedback.

I greatly look forward to the opportunities in the term ahead, and make a firm commitment to work hard to ensure Campbell High School continues to be a leading school in the ACT.

Thank you all for the warm welcome and I look forward to being able to meet more of the Campbell community in the coming weeks.
