Tournament of Minds (TOM) All Years

TEST OF INTEREST

Calling all students interested in joining a team to compete in the Tournament of Minds 2019! There are 4 disciplines on offer this year - Art, STEM, Literature and Social Science. We can enter teams in just 1 area, or all 4 depending, on interest.

Teams in the **Secondary Division** must be a mix of students from at least 2 year levels (up to and including year 10) with a minimum of two students from year 7, and a maximum of 4 students from any one year.

Register your interest on the sign on sheet in Student Services. This is a registration of interest ONLY; at this time there is no guarantee that Campbell HS will field a team this year. Show your enthusiasm and help make the case to compete!

About Tournament of Minds

Tournament of Minds is a problem-solving programme for teams of students from both primary and secondary years. Tournament's aim is to enhance the potential of our youth by developing diverse skills, enterprise, time management, and the discipline to work collaboratively within a challenging and competitive environment.

They are required to solve demanding, open-ended challenges from one of the following disciplines:

The Arts

A new discipline for those who have a love for the visual and performing arts!!!

The long-term challenges will involve research before developing a creative interpretation in response to the Challenge. Plenty of opportunities for artistic expression in the form of dance, song, musical instruments, theatre and all forms of the Visual Arts.

STEM (Science, Technology, Engineering and Mathematics)

A new discipline starting in 2018!

The combination of Science, Technology, Engineering and Mathematics principles provides an integrated approach for students to deepen their conceptual understanding and use their creative and critical thinking skills to solve the challenges within an authentic context.

Language Literature

Language Literature Challenges will involve in-depth analysis and research of texts from a variety of fields.

Social Sciences

A journey through the moral and ethical issues confronting society in the 21st Century.

See Karyn in Student Services on Thursday if you have any questions.

Sausage sizzle! All Years

Hi Campbellians!

Come and enjoy the best sausage sizzle you've ever had at quiet quad on Friday!

\$4 for a sausage and drink combo!

\$3 for a sausage

\$2 for a drink

See you Friday.

WEEK 7 FRIDAY - FLUFFY MUFTI DAY - PET PROJECT ENRICHMENT FUNDRAISER All Years

Friday Week 7

Get your animal onesies out of the cupboard!

It's time to come to school for a Mufti day to fund raise for pet charities.

Cake stalls, face painting, raffle for a snuffle mat and more at first break in the quiet quad.

Gold coin donation.

Japanese conversation groups All Years

Come and join Arima-sensei in the library on Tuesday and Thursday 1st break for Japanese conversation.

Everyone welcome.

Making crepes - Madame Britton's Line C French Class Y 07

Bonjour,

Madame Britton's Line C French class will make crepes on Monday 17/6, not today.

Please come to the normal classroom and we will learn more about to be and not to be :)

A +,

Mme B

Defence Drop In Group Y 08 Y 09 Y 10

Inviting all students from ADF families to "drop in" to F10 (opposite student services) each Thursday with Karyn, our Defence School Mentor. This remains an unplugged, technology free space - sorry folks, you will have to talk to each other! Games, books, puzzles and great company are offered in this welcoming and well heated space.

Any questions please see Karyn in Student Services.
