Dear Parents and Carers,

Thank you for your inquiry regarding future enrolment of NSW residents at Campbell High School.

This letter briefly outlines the changes to future enrolments for NSW resident students. The website address where you will find more detailed information can be found at the end of the letter.

Due to expected growth in the surrounding ACT region, the ACT Government, in conjunction with the NSW Government, has modified the procedures for NSW enrolments.

From now on, NSW resident families who are seeking enrolment at a Canberra Public School will be offered a place in one of the selected pathway schools. NSW resident students will only be accepted at one of these northside or southside pathway schools. Campbell High School is not a pathway school and therefore, is unable to accept enrolments from NSW resident students unless they have a sibling currently attending our school. Enrolment applications from non-sibling NSW resident students will be forwarded to the NSW enrolment officers in the ACT Education Directorate.

This does not immediately affect the enrolment of any NSW resident student who is currently attending a Canberra Public School, however the new procedure will apply when that student transitions to the next stage of schooling.

In the case where a NSW resident student is enrolled at a non-pathway school and the family wishes to enrol a sibling, the application will only be considered where the school has capacity, after accepting ACT resident enrolments and where both students will be attending the school at the same time.

This new procedure will provide greater certainty for NSW families, by providing specific pathways for NSW students seeking to attend Canberra Public Schools.
