

# CAMPBELL HIGH SCHOOL

## COURSE OUTLINE

### Semester 2 2017

#### CERAMICS 1

Teacher: Bryce McErlain

Email: [Bryce.McErlain@ed.act.edu.au](mailto:Bryce.McErlain@ed.act.edu.au)

#### Course Description

Through Ceramics 1, students are introduced to sculptural, conceptual and presentation skills with emphasis on creating several finished objects. Students develop a range of construction and decorative techniques based on their project expectations, material provided in class, and their own designs.

#### Years 9 and 10 Australian Curriculum Achievement Standard - Visual Arts

By the end of Year 10, students evaluate how representations communicate artistic intentions in artworks they make and view. They evaluate artworks and displays from different cultures, times and places. They analyse connections between visual conventions, practices and viewpoints that represent their own and others' ideas. They identify influences of other artists on their own artworks.

Students manipulate materials, techniques and processes to develop and refine techniques and processes to represent ideas and subject matter in their artworks.

#### Learning Outcomes

Demonstrated skills in basic ceramic hand building techniques

Understands appropriate visual language

Shows interest and understanding in discussions about Art

Demonstrates skills in three dimensional techniques and concepts

Develops and presents original creative ideas and designs

Approaches each unit of practical work with an individual focus
