The Weekly Wrap Up T3 Week 6 31-8-18

Book Week

We have many things to celebrate as week 6 comes to a conclusion. This week many students have been involved in a wide range of activities including:

- Touch Football
- Soccer
- Step Into The Limelight Performances
- Mountain Biking

This week also marked *Book Week*, and included a host of activities including visiting authors, book donations and prizes, culminating with a special assembly. During the assembly students and teachers were able to model some of the magnificent book week costumes, ranging from the colourful, the complex, to the just plain scary.

Wear It Purple Day

Thanks to all the members of our community that donned something purple to show support for Wear It Purple Day. It is great to work in an environment where there is such a mature commitment to respecting diversity and social equality. It is one (of many) reasons why Campbell High School is a school of high demand for both staff and students.

Chromebooks

Our wonderful IT Officer, Jess, is taking the initiative of conducting a Chromebook audit, to perform performance checks and identify any possible warranty issues while the opportunity still exists. In order for this to occur, we are asking all students to ensure they have their Chromebooks at school next week during *International (Campbell) Chromebook Week*. This includes any Chromebooks currently not working.

Jess will be performing the checks during Science classes.

Schedule:

Year 7- Thursday September 6, lines E and F

Year 8- Tuesday September 4, lines B and G

Year 9- Wednesday September 5, lines A and D

Year 10- Thursday September 6, lines A and C

Parent-Teacher Night

Please mark the afternoon of Tuesday September 25 in your calendar for our term 3 Parent Teacher Evening. This will be a prime opportunity to gauge the progress of your child's learning, and liaise with their teacher about suggested strategies for improvement. Obviously, parental involvement is not limited to formal parent teacher events, and we encourage regular contact throughout the year.

Parent Forums

Following on from the overwhelming attendance at the recent Gifted and Talented parent information session, we would like to offer further parent forums that may provide an opportunity for a presentation and/or an informal chat about a focussed topic concerning the learning and wellbeing of our students. We would greatly appreciate input from parents regarding topics of interest, and we will try and accommodate accordingly.

Mountain Bike Championship

Campbell High took out 40 students to compete in the Canberra Off Road Cyclists (CORC) interschool's mountain bike competition at Mount Stromlo. This event hosted almost 700 competitors from the ACT and NSW public and private schools. Despite the cold and windy conditions, Campbell took out wins in two divisions, winning the junior mixed and senior girls categories. All competitors showed great Campbell spirit in the conditions and enjoyed the day.

Student Wellbeing

As Campbell High School sees the wellbeing of our community as a priority, we would like to add a regular wellbeing tip to our Weekly Wrap. This week's contribution comes from Headspace, and provides insights on mental health and what we can do as parents to support our kids going through a tough time. Please take the time to read through the attachment.

Have a great weekend and enjoy the rain!

Steve Collins
