

# Campbell High School

*An ACT Government School*  
*Principal: Kerrie Heath*  
*"Aspire Achieve Connect Respect"*

Dear Campbell Parents and Carers,

As we come to the end of term 1, I would like to share with you how much I have enjoyed becoming part of the Campbell High School community. The sense of community connectedness at Campbell is extraordinary and this is reflected in the students every day through their friendly interactions with their peers and staff.

A big thank you to Dan Breen for his leadership while Kerrie has been on personal leave. It was great to see him reconnect with past students from North Ainslie and so good to hear his affirmations to the teachers at Campbell about how impressed he is with the way that the students have matured.

I am pleased to say that Kerrie is recovering well and is keen to return to school for the first day of next term. We are looking forward to Kerrie's enthusiasm and passion and I know that the students have missed her presence.

This week has been full of student achievements with many students being recognised at assembly. Students were presented with an award from the University of NSW to acknowledge the top 3 students for Years 8 and 9. We would like to congratulate these students on such an exceptional achievement. We were also treated to some outstanding student performances during the Year 8 Talent Quest and our assembly. Thank you to all of those students involved.

Thank you to parents and carers who attended Parent/Teacher Interviews on Tuesday night. It was great to see such positive and strong connections being forged to support students to achieve in the classrooms and to thrive in the broader school environment.

An Anzac ceremony will be held during assembly on Tuesday of Week 1.

Wishing you all a safe and relaxing holiday break. We are looking forward to a busy and fun Term 2.

Katherine Stretton
