### SCHOOL SPORTS EXCURSIONS/EVENTS

#### NOTIFICATION

Dear Parent/Carers,

For your information: Over the next few weeks, Physical Education classes will be implementing training runs, preparing the students for the Campbell High School Cross Country. Your son/daughter will have the opportunity to participate in these runs on the fire trails at the base of Mt Ainslie. As the cross-country practice runs are part of the Health and Physical Education Curriculum, students are expected to take part in these sessions. These will vary in length, from 1km – 5km. Please provide a note for your child if they are unable to participate due to injury or other related circumstances.

The culmination of these runs will finish with the Campbell High School cross country carnival which will take place on Thursday 11<sup>th</sup> of April.

Staff will be positioned along each running course to supervise the students in each of the sessions. Staff accompanying students will take all reasonable care while students are in their care to protect them from injury and to control and supervise their behaviour and activities.

Parents should advise children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

Campbell High School places great value on student participation in sporting events. Because of this, students are expected to show exemplary behaviour by understand the following.

- ✓ Normal school rules apply during these practice runs and on the day of the cross country.
- ✓ Unacceptable behaviour may result in exclusion from the current activity and future sporting teams and activities.
- ✓ Staff members are not responsible for injuries or damage to property, which may occur on an excursion where, in all circumstances, staff have not been negligent.
- ✓ Parents/carers are welcome to attend sporting events as spectators.

If you have any concerns or questions, please contact the Physical Education Department at Campbell High School on 61423186.
