### Accessing Mt Ainslie Nature Reserve

Supervised by staff, students will walk to the designated starting point, use marked fire trails, have midway check points and designated finish point.

### Reid Park (Ovals)

Supervised by staff, students will walk along the footpath crossing at the traffic lights on Limestone Avenue and Euree Street to get to Reid Ovals.

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

Kind Regards,

John Manders
